INSTRUCTORS: Please login in or create an account, and go to RESOURCES tab and INSTRUCTOR to find your resources. Instant Access: 978-0-8036-7716-6 Access Card: 978-0-8036-7717-3 Practicing and progressing to medical language mastery Medical Terminology Simplified + Medical Language Lab work together to create an immersive, multimedia experience that tracks your progress until you've mastered the language of medicine. Medical Terminology Simplified, 6th Edition A programmed learning + self-paced + body systems approach! Build a medical vocabulary frame by frame as you explore each body system through the major combining forms, a comprehensive pathology section, and medical records and evaluations, complemented by true-to-life artwork. See what students are saying about the previous edition... Perfect. "Everything I needed for my class! Easily able to follow once I understood the layout. I definitely recommend buying the book with the access code!" —Logan S., Amazon Reviewer Easy to understand. "Great book, easy to understand and a great tool to study with." —Melissa, Amazon Reviewer Highly recommend it. "...I really like the learning format. The text uses "programmed learning" to help you learn the information by providing fill-in-the-blanks as you read. I also feel the information is explained very well." —Dez, Amazon Reviewer Medical Language Lab Online. Interactive. Progressive. Based on proven language methodology, Medical Language Lab [MLL] guides you step by step from basic through advanced levels of proficiency to become a confident medical language speaker. A wealth of audio case studies, progressive exercises, lecture videos, a pronunciation guide, plus an integrated e-book version of the text offer multiple paths to learning success. This immersive, multimedia experience guides students and tracks their progress as they apply word-building concepts for practice and application. A special code in new, printed texts unlocks Medical Language Lab for you. Instructors can use it with their current learning management system or with its integrated grade book. They can also customize it to meet the needs of their course. Want to learn more?
